SUBJ: Amended 12 Day Pre-General Report (10/01/02 - 10/16/02)

DATE: July 15, 2003

This letter is in response to your inquiry dated June 4, 2003 regarding a discrepancy on Schedule F for the Aggregate General Election Expenditure(s) for Dario Herrera. Your letter states the amount should be \$31,500.00, not \$21,500.00 as we have reported. In reviewing all reports filed prior to the 12 Day Pre-General report there were no other expenditures that I can find for said candidate in the amount of \$10,000.00 on Schedule F.

Could you please provide additional information so that we may correct the discrepancy.

Thank you kindly for your assistance.
